

**Core Curriculum for Ophthalmic Nursing (2008 edition)
Registration Information and Evaluation Response Form**

Chapter 3: Nursing Assessment

This activity is provided by ASORN, which is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. **To receive nursing contact hours for this activity, read the chapter, circle the correct answers in the test response section, and complete the evaluation section. Send the form with your payment of \$15 (members/affiliates) or \$25 (non-members) to: ASORN, PO Box 193030, San Francisco, CA 94119 or fax (415) 561-8531.**

ASORN is provider approved by the California Board of Registered Nursing, CEP #11901.

1.5 contact hours will be awarded for successful completion of the program. Contact hours may be used for Certified Registered Nurse in Ophthalmology (CRNO) recertification. Successful completion is defined as a score of 80% or higher. Participants who do not achieve a minimum score of 80% may retake the test within 30 days. Please submit a new form and payment to retake the test. Please contact ASORN at (415) 561-8513 or asorn@aao.org with questions.
