

## Global Ophthalmology Resource Guide

### **Videos AAO website on the ONE network (valuable background information):**

<http://one.aao.org/education-browse?filter=global-ophthalmology>

### **Dr. Al Sommer: "Know before you go"**

[http://enforme.http.internapcdn.net/enforme\\_vitalstream\\_com/Bloomberg\\_2\\_11/story.html](http://enforme.http.internapcdn.net/enforme_vitalstream_com/Bloomberg_2_11/story.html)

### **Dr. David Friedman: So you want to go overseas?**

[http://enforme.http.internapcdn.net/enforme\\_vitalstream\\_com/Bloomberg\\_1\\_11/story.html](http://enforme.http.internapcdn.net/enforme_vitalstream_com/Bloomberg_1_11/story.html)

### **Other helpful websites:**

<http://yotogo.org/> "YO to GO" is a GREAT website that is sponsored by the ASCRS that lists opportunities and information and resources

<http://openingeyes.org/> a website geared toward connecting eye health organizations that are providing ophthalmic care/relief by the countries in which they work

### **Global Health Fellowships (post residency):**

Dean McGee Eye Institute:

<http://www.mei.org/global-eye-care-gec-fellowship-program>

University of Nebraska:

[http://www.unmc.edu/eye/international\\_division\\_fellowship.htm](http://www.unmc.edu/eye/international_division_fellowship.htm)

Moran Eye Center:

<http://medicine.utah.edu/ophthalmology/education/fellowship/international.php>

### **Funding opportunities** (there's not much out there, but will keep looking!):

Fogarty International Clinical Research Scholars and Fellows Program (post residency):

<http://fogartyscholars.org/current-global-health-training-opportunities/>

**Global Ophthalmology Guide:** <http://one.aao.org/global-ophthalmology-guide>
