

Ophthalmology Required Clinical Encounters

Minimum participation for diagnoses: Observed

Acute Vision Loss (2)

- Amaurosis Fugax
- Compressive Optic Neuropathy
- Corneal Edema
- Giant Cell Arteritis
- Hyphema
- Non-arteritic Ischemic Optic Neuropathy
- Optic Neuritis
- Retinal Arterial Occlusion
- Retinal Detachment
- Retinal Vein Occlusion
- Vitreous Hemorrhage

Chronic Vision Loss (2)

- Cataract
- Glaucoma
- Macular Degeneration

Ocular Pharmacology (1)

- Hydroxychloroquine
- Injected Corticosteroids
- Oral Corticosteroids
- Systemic Anticholinergics
- Systemic Sympathomimetics
- Topical Alpha-Agonists
- Topical Anticholinergics
- Topical Beta-Blockers
- Topical Corticosteroids

Ophthalmology Assessment of Systemic Disease (2)

- Cerebral Vascular Event
- Diabetes Mellitus
- Giant Cell Arteritis
- HIV
- Hypertension
- Increased Intracranial Pressure
- Malignancy
- Pregnancy
- Rheumatoid Arthritis
- Sarcoidosis
- Sickle Cell Disease
- Systemic Lupus Erythematosus
- Thyroid Eye Disease

Red Eye (1)

- Allergic Conjunctivitis
- Bacterial Conjunctivitis
- Blepharitis
- Chemical Injury
- Corneal Abrasion
- Corneal Foreign Body
- Corneal Laceration (open globe)
- Dry Eye
- Hyphema
- Orbital Cellulitis
- Preseptal Cellulitis
- Scleritis
- Subconjunctival Hemorrhage
- Viral Conjunctivitis

Subspecialty Ophthalmology (1)

- Amblyopia
- CN III, IV or VI Palsy
- Compressive Optic Neuropathy
- Congenital Cataract
- Congenital Glaucoma
- Giant Cell Arteritis
- Horner Syndrome
- Idiopathic Intracranial Hypertension
- Internuclear Ophthalmoplegia
- Myasthenia Gravis
- Non-arteritic Ischemic Optic Neuropathy
- Optic Disc Elevation
- Optic Neuritis
- Retinoblastoma
- Strabismus
- Thyroid Eye Disease
- Visual Field Defect

Minimum participation for exam skills: Performed

- Exam: Alignment Assessment (3)
 - Hirschberg
- Exam: Confrontation Visual Fields (3)
- Exam: Extraocular Motility (3)
- Exam: Instillation of Drops (3)
- Exam: Penlight Assessment (3)
 - Include: Lids, conjunctiva/sclera, cornea, anterior chamber depth and clarity of media
- Exam: Pupil Assessment (3)
- Exam: Visual Acuity (3)
 - With near card, including pinhole
- Exam: Funduscopy (3)
 - Direct ophthalmoscopy online module fulfills three skills
